Explore

Sometimes the recitation (after Fatihah) of the Prophet (salla Allahu alayhi wa sallam) was long and sometimes it was short. What are some of the things which caused him to shorten his recitation?

Give three examples (from the reading) of how the Prophet (salla Allahu alayhi wa sallam) would recite surahs after Fatihah.

Practice

Practice making your salaah in front of your teacher this week. Practice a different salaah (Fajr, Dhuhr, etc) at each session until you have done them all. Have your teacher fill/follow out the [Salaah Review/Assessment Checklist](#) to determine which areas need improvement, insha Allah.
