

Practice Activity 1.5a: Writing alif

Now, we're going to learn how to write alif and baa.

Teacher Tip:

Go to <http://www.islamicart.com/main/calligraphy/catalog/alphabet.html> for an online demonstration which will show student how to form each letter. Play the alif and baa animations for student. If you will not have access to the internet, then simply show student yourself how to form each letter.
